

Communicating Rubric

Definition

Communicating is the development of students' ability to communicate effectively through oral, written, and digital channels using the English language, quantitative, and other symbolic systems. Students should be able to write and speak with thoughtfulness, clarity, coherence, and persuasiveness; read and listen critically; and select channels appropriate to the audience and message.

SLO: Analyze and evaluate their own and others' speaking and writing. (C1)

Performance Indicator	Proficient 3	Developing 2	Emerging 1	Insufficient 0	Not Applicable to the Assignment
(P1) Identifies key message	<i>Accurately</i> identifies the central message	Identifies <i>some</i> elements of the central message	Identifies <i>few</i> elements of the central message	<i>Does not</i> identify the central message	
(P2) Evaluates the organization of the communication according to normative criteria	Evaluates <i>most</i> organizational elements present in both one's own and others' communication	Evaluates <i>some</i> organizational elements present in both one's own and others' communication	Evaluates a <i>few</i> organizational elements present in both one's own and others' communication	<i>Does not</i> evaluate any organizational elements present in one's own or others' communication	
(P3) Evaluates the clarity of the communication according to normative criteria	Consistently evaluates the clarity of both one's own and others' communication	Somewhat consistently evaluates the clarity of both one's own and others' communication	Inconsistently evaluates the clarity of both one's own and others' communication	<i>Does not</i> evaluate the clarity of both one's own and others' communication	
(P4) Evaluates the delivery of the communication according to normative criteria	Consistently evaluates the delivery of both one's own and others' communication	Somewhat consistently evaluates the delivery of both one's own and others' communication	Inconsistently evaluates the delivery of both one's own and others' communication	<i>Does not</i> evaluate the delivery of both one's own and others' communication
