Dear Students & Faculty,

As a result of campus closure, student access to Adobe Creative Cloud in labs and classrooms is not available. Adobe has provided temporary at-home access for impacted students and faculty, so that they can continue their work remotely. This access from Adobe will be available until May 31, 2020. Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device.

Please note the minimum system requirements here before installing any Adobe apps. Depending on your processor speed, amount of RAM and type of graphics processor the apps may perform less than you are used to in the computer labs on campus.
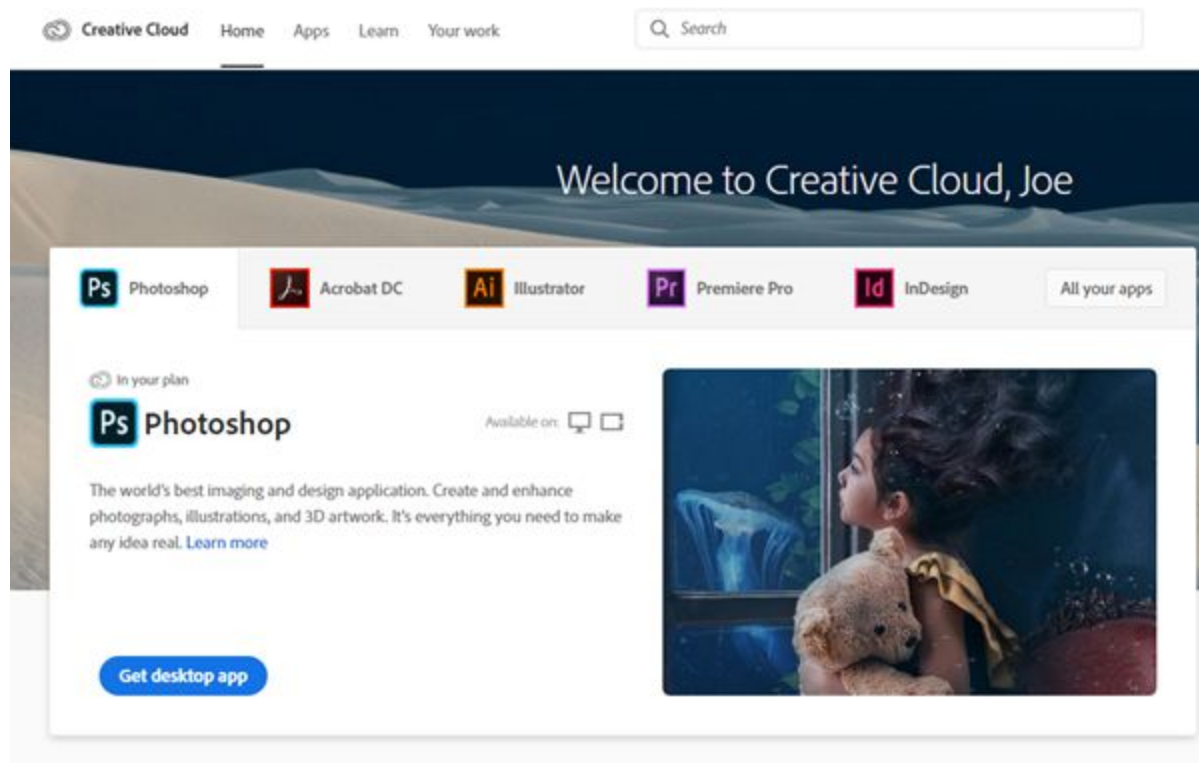

1. Visit https://creativecloud.adobe.com and use your MWSU username and password to sign in.

2. If prompted, select Company or School Account and then enter your password. Or provide your MWSU username and password in your school's login screen.

3. From the Creative Cloud website, browse for and download your desired app. Click **Apps** on the top of the page to view all apps.

For more information on how to download or install apps, see [Download and Install Creative Cloud apps](#).

For students to continue developing skills, Adobe offers free "Daily Creative Challenges". These are guided projects where participants receive creative prompts and connect with pros, mentors, and other students for feedback and support. Click on the app name to learn more: [Photoshop](#), [XD](#) and [Illustrator](#). Also, for inspiration and over-the-shoulder learning, watch pros share their creative process on Adobe Live daily at [www.behance.net/adobelive](#).

For faculty seeking to engage students during this campus closure, Adobe has curated resources to help them discover inspiring projects, best practices, and new ideas so they can continue to drive valuable learning in virtual environments. For more information on Adobe's distance learning resources [please click here](#).

If you have any questions or concerns please contact the IT Helpdesk at 816-271-4555 or helpdesk@missouriwestern.edu

Regards,

Your Missouri Western IT Team
