*i. Parliamentary Elections*

1. *Senator Saladen was nominated for Parliamentarian– I have been in SGA for most of you, and am a Senior Senator. Therefore I know Bylaws, Parliamentary Procedure, and Constitution. Senator Fataki – I nominated her due to her qualifications of being a Senior Senator. Senator Beasley – for the time I have known Senator Saladen I know she is very knowledgeable, and well qualified for this position.*

2. *Senator Sharp was nominated for Parliamentarian – I believe I would be a good Parliamentarian because I have a good understanding of Robert’s Rules, and have been working with several SGA members to work on Bylaws and Constitutional changes. Senator Gordon – for the time I have known Sharp, she has worked hand and hand with the Vice President. She had seen the shut down as a time for growth. Senator Walkup – as former spoken, I believe she will uphold this position well.*

3. *Newly Elected Parliamentarian is Senator Sharp on a 10 to 4 blind vote counted by Vice President of Student Affairs Shana Meyer, and Secretary Breanna Bland.*
